### Overall Dimensions

|                             |                             |
|-----------------------------|-----------------------------|
| Length (mm)                 | 8545                        |
| Width (mm)                  | 2550                        |
| Height (mm)                 | 3325                        |
| Wheelbase (mm)              | 1900 + 2900 + 1350          |
| Tread Front / Rear (mm)     | 2020 / 1878                 |
| Front / Rear Overhang (mm)  | 1495 / 900                  |
| Min Ground Clearance (mm)   | 314                         |
| Approach / Depart Angle (°) | 18° / 40°                   |
| Unladen Weight (kg)         | 15200                       |
| Gross Vehicle Weight (kg)   | 46500                       |
| Front / Rear Axle (kg)      | 8250 / 8250 / 15000 / 15000 |
| Seating Capacity            | 1 Driver & 1 Passenger      |
| Max. Speed (km/h)           | 60                          |
| Min. Turning Circle (m)     | ≤ 20                        |
| Fuel Tank Capacity (L)      | 300                         |

### Engine

|                    |                  |
|--------------------|------------------|
| Make               | WEICHAI          |
| Model              | WP12.460E62      |
| Position           | Front            |
| Propellant         | Diesel           |
| Emission Standard  | EURO VI          |
| Maximum Net Power  | 333kW @ 1900rpm  |
| Maximum Net Torque | 2200Nm @ 1900rpm |
| Fuel System        | Direct Injection |
| Displacement (cc)  | 11596            |
| Bore x Stroke (mm) | 126 X 165        |
| Compression Ratio  | 17 : 1           |
| Number of Cylinder | 6                |
| Layout             | In-Line          |
| Valve Per Cylinder | 4                |
| Stroke             | 4                |
| Turbocharge        | Yes              |

### Transmission

|                   |                         |
|-------------------|-------------------------|
| Make              | FAST                    |
| Model             | C12JSDQXL240TA          |
| Transmission Type | MT                      |
| Speed             | 12 Forward<br>2 Reverse |
| Wheel Drive       | Rear Wheel Drive        |

### Suspension

|               |             |
|---------------|-------------|
| Front Axle    | Leaf Spring |
| Rear Axle     | Leaf Spring |
| Anti Roll Bar | Yes         |

### Brake

|                         |             |
|-------------------------|-------------|
| Front / Rear            | Drum / Drum |
| Dual Circuit            | Yes         |
| Diagonally Split        | Yes         |
| ABS                     | Yes         |
| Parking Brake           | Hand        |
| Traction Control System | No          |

### Tyre

|       |                  |
|-------|------------------|
| Front | 315/80R22.5-20PR |
| Rear  | 315/80R22.5-20PR |
